

MONTHLY ACTIVITY REPORT : JAN 2019

1. On 10 Jan 2019, all India National Students Games 2019 was organized by students Games Association of Haryana under the aegis of Students Game Federation of India. It was conducted at United Sports Academy, Hisar from 10-12 Jan 2019. 3 boys participated from our school in UP Kaddadi team, one boy participated in UP Individual Skating, one boy participated in individual Carrom and all APS students secured first position in their respective games.

2. On 19 Jan 2019, a workshop was conducted on the topic “CANCER” to make the teachers aware of it. The guest speaker highlighted the causes, symptoms, treatment & general precautions etc. Workshop was attended by Primary teachers. It was an informative and enriching session.

3. On 21-25 Jan 2019, annual medical checkup for the session 2018-19 was done for Classes I to XII by the team of 331 Field Hosp.

4. On 22 & 23 Jan 2019, online counseling for Class X was conducted on 22 & 23 Jan 19. Counseling was conducted by FUEL-(Friends Union for Energizing Lives) a credible non-profit organization which provides career guidance and counseling to the students throughout India. The counseling was conducted in two phases. Initially registration Form was filled on 17 Jan 2019. On 22 & 23 Jan 2019, personality attitude & aptitude tests were conducted for the students, later on a PDF report was generated for each student to guide the students in selecting the appropriate stream in class XI.

5. On 26 Jan 2019, **70th** Republic Day was celebrated with zeal and enthusiasm. The programme was compeered by Manya and Maira. The programme started with a speech by Vice- Head boy Satyam and Vice- Head girl Priya preceding the tableaus of various states after which there was a patriotic dance followed by the School song.

The Chief Guest for the day Brig Sumeet Mathur distributed the CBSE merit certificates to outstanding students and enlightened the gathering with his words of wisdom. The day concluded with the Chief Guest distributing sweets to students.

6. On 29 Jan 2019, the second edition of Pariksha Pe Charcha was held on 29 Jan 2019, at Talkotra stadium, New Delhi. It gave a unique platform for students, teachers and parents to interact with our honourable Prime Minister to discuss issues reality to exams and stress from the same.

The students of Army Public School, Jhansi were privileged to experience the interaction with our honourable Prime Minister Mr Narendra Damodardas Modi on Monday 29 Jan 2019. The school had made necessary arrangements so that the students may be an inquisitive audience to an interactive video which focused on different aspects of examinations and its effects on students, parents and teachers.

The interaction involved questions posed by a diverse audience of students from states all over India as well as students hailing from foreign nations.

Prime Minister used his immense experience and wisdom to suggest answers to various questions, which dealt with, peer pressure, goal determination, student- guardian relationship, time management etc.

He made the students realize how important is it to set a proper goal, and to have faith in their communications and to have clarity of thoughts.

The aim of the interaction was to help the students who are going to face the board examinations. It helped them to realize the importance of confidence and faith in themselves. This interaction also brought to the forefront the role of Co-curricular activities as active stress-busters. This initiative of the Ministry of Human Resources and Development was much appreciated and proved to be very fruitful for the students.

4. **31 Jan 2019.** PTM was conducted for all Classes of Army Public School, Jhansi on 31 Jan 2019 from 1230 p.m to 0130 p.m. Agenda of the meeting was distribution of syllabus and date sheet of final exams for Classes I to IX & X, showing of answer sheets and result of Pre-Board –II of Classes X & XII. The weak students from Class X and XII were sent to the respective subject teacher's along with their parent for counseling and further intervention, as discussed earlier in the result analysis. The PTM got over successfully at 1:30 p.m.
